PUBLIC INVITED TO MEETING ON UPCOMING TRANSPORTATION PROJECT *Presentation, Open House for Information on Future Improvements at Intersection of 59th and Olive Avenues*

GLENDALÉ, Ariz. – The City of Glendale will hold a public meeting to present information on an upcoming safety improvement project at the intersection of Olive Avenue and 59th Avenue, on Tuesday, March 1 at Glendale Community College, between 5:30 and 7:30 p.m.

This project, coordinated in conjunction with the Arizona Department of Transportation (ADOT) and the Federal Highway Administration (FHWA), is designed to:

- **Improve roadway safety** by constructing raised medians and median paving to manage left-turn movements, and modifying existing bus bays and bus shelters.
- **Enhance pedestrian movement and safety** by installing Americans with Disabilities Act (ADA)-compliant sidewalk ramps, and installing new street lighting for pedestrians, bicyclists, and vehicles where not currently present.

The project will be constructed within city-owned right-of-way (ROW), but will require new ROW and temporary construction easements from private landowners for bus shelter modification and utility relocation activities. Construction is anticipated to begin in early 2017 and last approximately seven months.

The meeting will consist of a presentation and an open house. The brief presentation will begin at 5:30 p.m. and the open house will run until 7:30 p.m. The meeting will be held at the Glendale Community College (GCC), Student Union (SU) Conference Room 104E, located at 6000 W. Olive Ave. For a detailed campus map, visit the GCC [website](#).
